Please note that this seminar will be conducted using the Centra platform, which requires a PC running a Windows operating system (98, NT, 2000, ME, XP), Microsoft Internet Explorer 4.01 or later or Netscape Navigator 4.8 or later, a 16-bit sound card and speakers or headphones, and an Internet connection of at least 28.8 kps (DSL, cable, T1, or higher speed recommended). PC requirements: Pentium 166+ MHz, 64+ MB memory 800 x 600 or higher display resolution. We also recommend a microphone, so you can ask questions of the speakers. When we have processed your registration, we will send you an e-mail with instructions on how to perform a system check on your computer to make sure you will be able to participate in the online seminar.
