Login: Frequently Asked Questions

I am a member of PIMA, but I do not have a Web ID and password and cannot access the Members Only section.

If you are a PIMA member, but have not yet accessed the PIMA Web site's Members Only section, please enter your membership ID number in the Web ID field and your last name in the password field to set-up your PIMA Web account. You will be prompted to select a new Web ID and password upon logging into the Web site. We recommend that you use your email address as your Web ID.

What is a Web ID?

A Web ID is your unique identification at the PIMA Web site. On your first visit you will be required to register a Web ID and password. We recommend that you use your email address as your Web ID.

The login is a security measure to prevent nonmembers from gaining access to this restricted area of our Web site. Each time you visit the PIMA Members Only section you will be required to login. The login data is verified against the PIMA database to ensure that you are a member.

I want to change my Web ID and password.

If you want to change your Web ID or password you will need to contact PIMA Member Services at 770-209-7230 or by email at tcampbell@pimaweb.org.
